# Large Scale Pattern Based Information Extraction World

**ieee transactions on pattern analysis and machine ...** - ieee transactions on pattern analysis and machine intelligence, vol. x, no. y, month year 1 **efficient & effective prioritized matching for large-scale image-based localization** **large-scale regression-based pattern discovery in ...** - large-scale regression-based pattern discovery in international adverse drug reaction surveillance ola caster who collaborating centre for international drug monitoring **large-scale clustering based on data compression** - arxiv:1010.4253v1 [cs.lg] 20 oct 2010 1 large-scale clustering based on data compression xudong ma pattern technology lab llc, delaware, u.s.a. email: xma@ieee **efficient large-scale stereo matching - cvlibs** - efficient large-scale stereo matching 3 smoothness implicitly. optimization is usually performed using a winner-takes-all strategy, which selects for each pixel the disparity with the smallest value **understanding urban human activity and mobility patterns ...** - understanding urban human activity and mobility patterns using large-scale location-based data from online social media samiul hasan research assistant **large-scale taxonomy mapping for restructuring and ...** - large-scale taxonomy mapping for restructuring and integrating wikipedia simone paolo ponzetto (joint work with roberto navigli) seminar fur computerlinguistik **large-scale fpga-based convolutional networks - yann lecun** - large-scale fpga-based convolutional networks micro-robots, unmanned aerial vehicles (uavs), imaging sensor networks, wireless phones, and other embedded vision systems all require low cost and **development of large scale structured light based ...** - structured light based measurement systems by chi zhang a dissertation submitted to michigan state university in partial fulfillment of the requirements for the degree of doctor of philosophy electrical engineering 2012. abstract development of large scale structured light based measurement systems by chi zhang the development of large scale structured light based dimensional measurement ... **fast multi-resource allocation with patterns in large ...** - not achieve fast and efficient resource allocation for large-scale data center. to address to address this problem, we propose a pattern based resource allocation mechanism based on the **cpu based parallel computation of electromagnetic ...** - based approach in emt computation methods, there is a trend to extend its application to the simulation of electromechanical transients for the same data set. this could require modeling very large scale networks. emt computations with such a network are presented and compared in [1]. it is possible to improve the computational performance for off-line emt-type solvers by programming more ... **violence detection in video by large scale multi-scale ...** - we propose a violence detector based on the dynamics of new multi-scale local binary pattern histogram features (mslbp), that generate high-dimensional space (20 480 dimensions), trained on **large scale spectral clustering with landmark-based ...** - large scale spectral clustering with landmark-based representation xinlei chen deng cai\* state key lab of cad&cg, college of computer science, zhejiang university, china **a hypercube-based indirect encoding for evolving large ...** - a hypercube-based indirect encoding for evolving large-scale neural networks accepted to appear in artificial life journal 15(2), cambridge, ma: mit press, 2009
